The South of Scotland Alliance (formerly South of Scotland Forum) is comprised of [Dumfries and Galloway Council](#), [Scottish Borders Council](#), [Scottish Enterprise Dumfries and Galloway](#), [Scottish Enterprise Borders](#) and representatives of the Local Economic Forum.

Together the Alliance focuses on:

- examining and raising the profile and image of the South of Scotland;
- promotion of inclusion and equal opportunities;
- work to increase funding;
- to be outward looking and as a consequence increase international links.
